RE: Rebranding JMHS to Discovery Behavioral Healthcare on July 1, 2016

DATE: April 5, 2016

To All Stakeholders:

I am very pleased to announce on behalf of the Board of Directors that Jefferson Mental Health Services (“JMHS”) will be rebranding to Discovery Behavioral Healthcare (“DBH”) as of July 1, 2016.

This is a very exciting time for us to offer our current services and expand into offering Chemical Dependency/Substance Use Disorders treatment, as well as increasing access to private pay and private insurance clients, through expanding our change management portfolio.

We are informing all internal and external stakeholders of this change in “doing business as” or “d/b/a”, and invite you to celebrate with us as we will also be celebrating 25 years in business on the same date!

This rebranding is an exciting time for us as we continue to grow mental health services and have recently added Chemical Dependency services to do behavioral health services for our clients. Adding Chemical Dependency services will provide another option for treatment services in our shared community in East Jefferson County.

We invite you to join and partner with us in this new imaging of our company at HJ Carroll Park in Port Townsend at the Rotary Pavilion on Saturday, July 23<sup>rd</sup>, 2016 from 11:00am to 4:00pm for a barbeque, entertainment and relaxing time together.

We look forward to the future and serving the East Jefferson communities for many years to come!

Very Respectfully,

Adam Marquis, MBA, ACHE, SCCC, SSLBBP
